

## **Diplomas continue to grow**

North Hertfordshire SAPG has recruited over 850 learners onto Key Stage 4 and Post-16 Diplomas. These numbers support provision for 8 lines of learning.

Reports from learners indicate that they are really enjoying the style of delivery, the full day focus, adult environment and applied learning opportunities facilitated by employers and the university.

Hitchin Police, the Ambulance Service, AVC, Astrium, IBM, Knebworth Park, the BBC, Lister Hospital Watford Theatre, the Building Research Establishment and the University of Hertfordshire have all contributed to the underpinning employability skills attached to the Diploma.
